Chapter 1 by Story Wars

Dear Braden,

I wish I had the chance to tell you. To tell you that I love you. Now, now I'm too late. I wish you didn't have to suffer. I wish it was me and not you. I wish you were here right now. I hope you're looking after me in Heaven. I always knew, that you'd be my guardian angel. Though, I wish you didn't get sick, I wish you were still at school, I wish, I wish, I wish! But now you're gone, and I can't stop thinking about you. I couldn't speak at your funeral because it was too painful to talk about. I miss you Braden.. and I wish you were still here...

Yours truly,

Grace

(P.S. I love you. No matter where you are, I will always love you. I just wish I could've told you sooner.)

My name is Grace, and last week I lost my best friend to stage 4 Leukemia. To me, Braden was

special. He was funny, smart, kind, honest, and amazing. He had these bright blue eyes and short blonde hair. He was tall, not very muscular. We grew up together, but not like siblings. We met when we were five years old. We lived across the street from each other. We've been best friends ever since. It isn't the same without him though. It's lonely. Quiet. Boring, and sort of grey. He brought color into everyone's life.

He taught others to look at life in a different way, through a different perspective. As we grew up.. I guess I fell in love with the weirdo. Can you blame me? He was class president, We were Choir partners, I will never forget the sound of his voice. He used to sing me and his sister to sleep when I came over as a kid. His voice sounded as if..you couldn't describe it. It was amazing. I miss him so much, he meant the world to me. We made a promise the night he died. He promised he would live long enough to take me to prom. To me.. He is still alive, and he will live forever in my heart.
